

Security Control Assessor - Validator Services || RMF Education and Training || Security Engineering and Consulting

Expert government and contractor Security Control Assessor-Validator (SCA-V) services to comply with the NIST Risk Management Framework (RMF) or convert accreditation from DIACAP to RMF.

EDUCATION AND SECURITY ENGINEERING

- Engineers and assessors to train staff and guide them through the new RMF ATO processes
- Consultation on system design, configuration, and documentation requirements to meet ATO standards
- Best practices to ensure NIST SP 800-53 Rev4 and other security standards

WHO PERFORMS THE WORK?

- A combination of government employees and security-cleared contractor personnel
- Personnel maintain advanced security certifications (CISSP, C|EH, CASP, and more)

Who Do I Contact to Learn More? Please contact Max Harris at mharris@NetizenCorp.com

or call us at (800)450-1773. Additional procurement information is listed below:

HOW DO WE PROCURE THESE SERVICES?

- A prospective DoD customer reaches out to the US Army Corps of Engineers (USACE) Engineer Research and Development Center (ERDC)
- DoD customer requests quote for SCA-V services
- USEACE ERDC provides a quote to the DoD customer and, upon acceptance, the work is added to our IDIQ Task Pipeline
- ***NO Competitive Procurement Necessary!***
